Papers and Proceedings Pointers:

- This journal does not use an abstract.
- Do not use an “Introduction” heading. Begin your introductory material before the first section heading.
- Avoid style markup (except sparingly for emphasis).
- Avoid using explicit vertical or horizontal space.
- Captions are short and go below figures but above tables.
- Include any notes or sources in the caption text.
- If you are using an appendix, it goes last, after the bibliography. Use regular section headings to make the appendix headings.
- If you are not using an appendix, you may delete the appendix heading.
